Python Developer Middle

Despre mine

I love reading various books: self-development books, fiction, biographies and others. I'm also interested in sports training.

Experiența profesională

Backend Engineer · DataDrive

Iulie 2023 - Prezent · 1 an 3 luni

Currently I am working at DataDrive on internal business projects. I'm working on an ERP system, within which I implement various modules: a module for managing social networks, a module for automating work with leads, a knowledge base, etc.

I also implemented the server side of a bot designed to answer questions. For this bot, I implemented a search engine to search for similar questions, as well as a system for rating the bot's answers.

Web Developer · Upwork

Decembrie 2022 - Iulie 2023 · 8 luni

I have worked with companies on various projects. Implemented an API for calculating the cost and time of delivery, a website with career routes, a landing page generator and some other projects.

Completed projects:

- Website with career routes
- API for shipping calculations
- Landing page generator
- Admin panel for content management

Python Developer · StatusPraesens · Москва

Februarie 2022 - Decembrie 2022 · 10 luni

I was involved in automating various processes (mailing, shortening links with generating QR codes), writing APIs and documentation.
